COMMUNICATION

Expressing Yourself And Understanding Others

How does the person communicate? *Consider speech, vocalizations, nonverbal cues, sign language, use of a device, writing skills, etc.*

What are the ways the person lets others know likes, dislikes, and/ or what is on their mind? *Consider writing, singing, dancing, laughing, crying, silence, movement, stillness, etc.*

How does the person ask for help? Are there important cues?

How does the person want or need others to communicate with them? *Consider use of calm voice, eye contact, having face visible to read lips, words to avoid, allowing time to process, repeating information, written communication, need for interpreter or assistive device, etc.*

Communication Chart

What the person does or says:	What it usually means:	What we should do/ say in response:

Communication Summary

Important To: <i>What makes the person feel satisfied, content</i>	Important For: <i>Health, safety, valued member/ social role</i>
Skills & Abilities: <i>What is the person good at, what can they do on their own, what do they have to contribute</i>	

Name: Annual Plan Year: MM/DD/YYYY to MM/DD/YYYY Effective: MM/DD/YYYY

What is the risk, what it looks like, where it occurs: <i>Consider any communication needs, medical needs, or behaviors that create a risk for the person in terms of immediate health & safety, risk of harm to self or others, or potential legal sanction that would need addressed in the person's plan</i>	What support must look like, why the person needs this support:	Does this risk require supervision?
List technology solutions that have been explored <i>Detail solutions that may lead to supports that increase the person's independence or note if no viable options</i>		

Services, Supports, Outcomes

Specialized tools that require completion by a qualified professional:

ADVOCACY AND ENGAGEMENT

Valued Roles and Making Choices

What are the person's strengths? *What is the person good at? How would the person like others to think of or describe them? Does the person help others speak up for themselves?*

What has the person accomplished that they are proud of?

What does the person want to accomplish? *Consider short- and long-term goals. Does the person have adequate resources available? Do they want to accomplish this goal on their own or do they need supports? Could this be a potential outcome?*

Is the person able to make their own decisions?

☐ Yes ☐ No

Is there anything important to the person that the team needs to know? *If they are able to make their own decisions*

Name: Annual Plan Year: MM/DD/YYYY to MM/DD/YYYY Effective: MM/DD/YYYY

What are the barriers? *If they are not able to make their own decisions*

If the person needs help to make a decision how would they get it? Who would they ask? *How does the person problem solve or advocate?*

Does the person feel others support them and their decisions?

☐ Yes ☐ No

Explain further *If the person feels that others do not support them and their decisions*

Does the person wish they could make more decisions by themselves? *Does the person want to participate in training and/ or hiring of staff? How do they make decisions about their day to day life? How do they make decisions about impactful situations? Is the person able to participate in groups and activities they want? Do they choose the places they visit and who they spend time with?*

Responsibility and Leadership

Does the person understand making decisions that may result in a negative or legal consequence? *Would education, counseling, or additional support help the person understand negative or legal consequences?*

If the person is of transition age, do they need help to understand/prepare for additional rights as an adult?

☐ Yes ☐ No

Explain further *If the person needs help preparing for additional rights as an adult*

If the person is of transition age, do they understand consequences and responsibilities associated with being an adult?

☐ Yes ☐ No

Explain further *If the person does not understand consequences and responsibilities associated with being an adult*

Does the person understand their rights? If so, do they understand what to do when their rights are being violated?

Name: Annual Plan Year: MM/DD/YYYY to MM/DD/YYYY Effective: MM/DD/YYYY

Does the person ever feel forced to do something they do not want to do? If so, how do they respond?

Does the person have interest in being actively involved in voting, government activism, etc.? *What support would they need?*

Advocacy & Engagement Summary

Important To: <i>What makes the person feel satisfied, content</i>		Important For: <i>Health, safety, valued member/ social role</i>	
Skills & Abilities: <i>What is the person good at, what can they do on their own, what do they have to contribute</i>			
What is the risk, what it looks like, where it occurs: <i>Consider any communication needs, medical needs, or behaviors that create a risk for the person in terms of immediate health & safety, risk of harm to self or others, or potential legal sanction that would need addressed in the person's plan</i>	What support must look like, why the person needs this support:		Does this risk require supervision?

Services, Supports, Outcomes

Specialized tools that require completion by a qualified professional:

SAFETY AND SECURITY

Safety and Emergency Skills

Name: Annual Plan Year: MM/DD/YYYY to MM/DD/YYYY Effective: MM/DD/YYYY

Does the person know what to do in an emergency? *Consider emergencies such as fires, tornadoes, strangers, crime, power outages, car accidents, first aid, etc.*

What safety skills does the person possess? *How does the person keep safe at home and in the community? Can the person safely carry and use a key to lock/ unlock door? Is the person at risk for exploitation?*

Behavioral Well-being

Does the person exhibit any behaviors that are a risk of harm to themselves or others?

☐ Yes ☐ No

Explain further *If person does exhibit behaviors that are a risk of harm to themselves or others*

Does the person exhibit any behaviors that would present a likelihood of legal sanction?

☐ Yes ☐ No

Explain further *If person does exhibit behaviors that would present a likelihood of legal sanction*

Does the person exhibit any behaviors that require a specifically structured environment or cause them to live in a more restrictive setting?

☐ Yes ☐ No

Explain further *If person requires a specifically structured environment*

Emotional Well-being

Is the person happy/ satisfied with their life?

What makes the person happy? Is the person able to do what makes them happy and/ or what they enjoy? *Consider hobbies, interests, etc.*

What's the best thing that ever happened to the person?

Name: Annual Plan Year: MM/DD/YYYY to MM/DD/YYYY Effective: MM/DD/YYYY

What does the person believe would make their life better?

Does the person exhibit a pattern of withdrawal, apathy, or lack of energy which is not attributed to injury or illness?

☐ Yes ☐ No

Explain further *If person does exhibit a pattern of withdrawal, apathy, or lack of energy which is not attributed to injury or illness*

Does the person have people in their life that they can talk to when feeling upset or worried? If so, who?

What self-help skills does the person use when upset or worried?

Does the person feel safe and secure? *When and where? What sort of things help them feel safe?*

What causes the person to feel isolated, afraid, or powerless? *Consider people, places, things, etc. Assume trauma history; if known, please explain.*

What makes the person's typical day better? *Consider at home, at work, mealtime, weekend, holidays, etc.*

What makes the person's typical day worse? *Consider at home, at work, mealtime, weekend, holidays, etc.*

Supervision Considerations

SSA/ QIDP Only: What are the results of applicable pre-assessments? *Consider the results of pre-assessments: Level of Care, OEDI, COEDI, etc.*

Safety & Security Summary

DAILY LIFE AND EMPLOYMENT

School/Education and On-going Learning

Name: Annual Plan Year: MM/DD/YYYY to MM/DD/YYYY Effective: MM/DD/YYYY

Is the person currently in school?

☐ Yes ☐ No

Does the person have any challenges at school or in their educational program? *What are the barriers? What does the person need available to learn? Does the person use any specific equipment at school?*

What might the person want to learn how to do and how do they want to learn it? *Is the person interested in taking courses or attending trainings? What kinds of community based work experiences have they had?*

What are the strategies that help the person learn? *Consider video, audio, hands-on, etc.*

Employment

Does the person have a job?

☐ Yes ☐ No

Is the person working in this job without any paid supports?

Does the person want a job? If yes, please explain. *Consider type, location, support, etc. Does the person have any paid or unpaid work experience? Consider what the person liked or disliked. Have they previously received services from outside agencies to assist with finding employment? Have they accessed supports like Job Development or Job Coach? What worked and did not work? Are there barriers (transportation, finances, etc.) to the person getting a job? Do they have a resume?Â Does the person know what a job is and what it entails?Â Do they understand the connection between working and making money?*

How does the person learn/ work best? *Does the person prefer working alone, with one person, in a small group, or in a large group? When does the person feel most independent? How does the person learn best? What type of work environment does the person prefer (hot/ cold, dark/ light, early/ late, noisy/ quiet, etc.)?*

Does the person have any challenges at work?

☐ Yes ☐ No

Explain further *If person has challenges at work*

Name: Annual Plan Year: MM/DD/YYYY to MM/DD/YYYY Effective: MM/DD/YYYY

Finance

Does the person make money?

☐ Yes ☐ No

Does the person need help reporting wages? If yes, please explain. *If person does make money*

Does the person receive any benefits?

☐ Yes ☐ No

Explain further *If person does receive benefits*

Does the person regularly have to spend down money to keep their Medicaid/SSI benefits?

☐ Yes ☐ No

Explain further *If person has to regularly spend down money to keep their Medicaid/SSI benefits*

What control does the person have with their money? *How much money is the person able to safely carry? Do they feel they have access to their funds or want more control over their money? Do they value money? Do they have a debit or credit card? Are there supports needed for them to carry money?*

Does the person understand how to use their money? *How does the person decide what they will buy and how much they will spend? Are they able to return items? Do they know about credit reports?*

Is the person able to take care of their finances?

☐ Yes ☐ No

Explain further *If person is not able to take care of their finances*

Does the person have the things they need?

☐ Yes ☐ No

Name: Annual Plan Year: MM/DD/YYYY to MM/DD/YYYY Effective: MM/DD/YYYY
Explain further

If person does not have the things they need

What is the person's plan for life beyond employment? *Does the person need to maintain a certain level of financial security to ensure quality of life during retirement? Are they living in a situation that is conducive to aging or financially feasible once in retirement? Do they have end of life plans in place, or would they want to begin planning for their end of life wishes? Consider if the person's community, culture, religion, etc. will affect retirement and end of life planning.*
